**Custom Designer Furniture  
Handcrafted in the U.S.A.**

Visit us online at [www.abollendesign.com](http://www.abollendesign.com) to order your own piece of custom designer furniture and for details on store locations of our retail line of custom fit furniture.

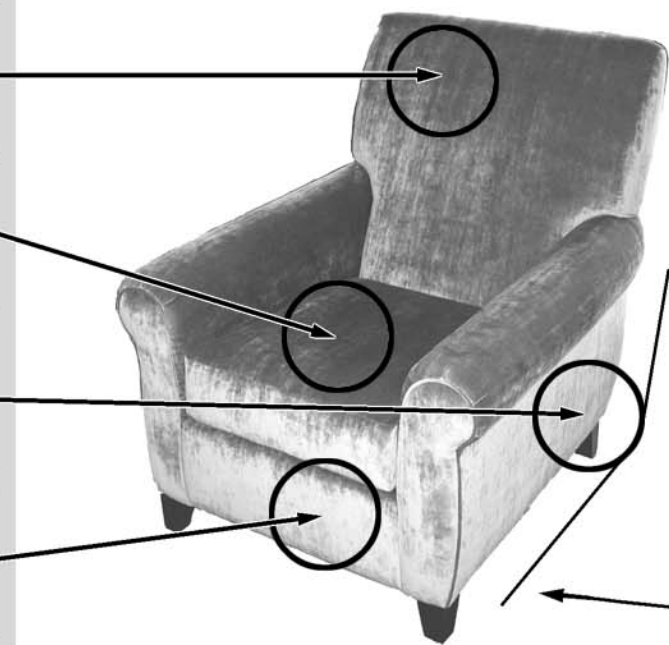

Nothing beats the quality of something made by hand, especially when custom built to your specifications. Our furniture is constructed using only solid wood frames to create heirloom quality pieces. We upholster your furniture with the fabric you select directly from our library. Best yet, come to our showroom and use our **Sit Test**. You'll end up both owning your dream furniture, and having it fit your body perfectly.

**Choose** from our extensive collection of designer fabrics

**Options** include cushion fill material for firm or soft comfort

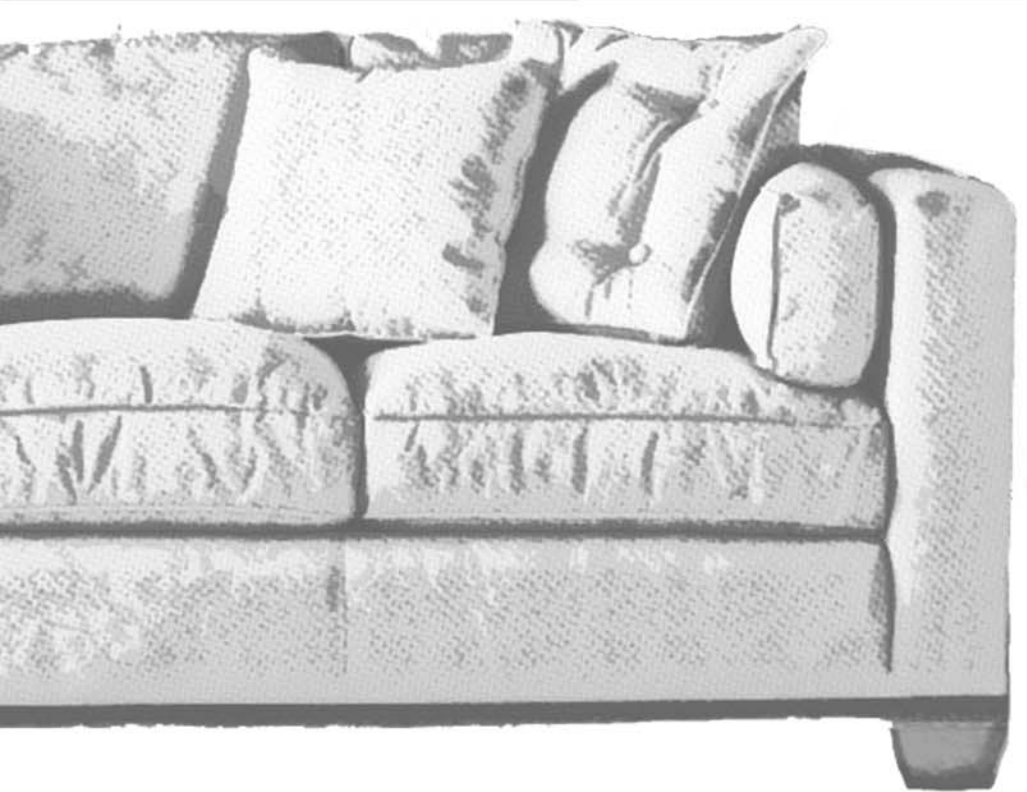

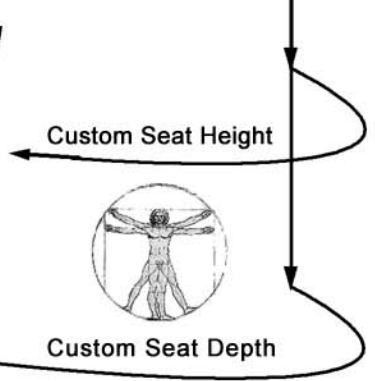

**Custom** depth and height sizing to fit your body profile

**Quality** frame styles include 8-way hand tied and no-sag
